

This is to certify that

PHYWE Systeme GmbH & Co. KG.

has obtained accreditation under the
Worlddidac Quality Charter

for the years
2011 to 2014

The decision to grant the aforementioned company accreditation under the Worlddidac Quality Charter was based upon the results of the evaluation undertaken by the WQC Board of Experts.

Companies accredited under the Worlddidac Quality Charter meet the highest standards in product quality, serviced and after sales support and have the capacity to contribute to the sustainability of educational programmes worldwide.
